Dear Dogs and Daffs visitors, supporters and volunteers

Today the organising team & our Charity Trustees reviewed the current coronavirus position and have taken the disappointing, but what we believe to be the safest, decision to **postpone Dogs & Daffs 2020 until later this year**. It is disappointing for us all especially as the event is organised by Digswell Place Group Riding for Disabled and is one of our major fundraising events of the year. As a charity working with people who may be in higher risk groups we've proactively taken this decision because safety & welfare is our highest priority. We have a duty of care to all, including our volunteers who help run the event and to our visitors some of whom may be in higher risk groups.

This means the following:

Earlybird ticket holders

Thank you for your support, your tickets will be honoured for the new date later this year. Please check our website above for updates. Any questions please contact us on the email above, a reminder that the event is run by our charity volunteers so please bear with us.

Stallholders & caterers

Your booking will be valid for the new date later this year, check our website above for updates. We do hope you'll still be able to join us then. Please get in touch with the organising team member you've been in contact with if you have any questions.

Fun Dogs Show Sponsors and other event sponsors

Your sponsorship will be valid for the new date later this year, check our website above for updates. We hope you'll still be able to join us then. Please get in touch with the organising team member you've been in contact with if you have any questions.

Activity providers, Fist Aiders, vets

We do hope you'll still be able to join us next later in the year. Thank you for your support we'll be in touch with you once the new date is announced.

Event volunteers & Hatfield Army Cadets

Thank you so much for your offer of help we hope you'll still be able to join us later in the year and will be in touch with you when the new date is announced.

Finally wishing everyone the very best of health and sending thanks in advance for your cooperation during these rapidly changing and extraordinary times. We look forward to seeing everyone later in the year.

Kind regards The Dogs & Daffs team from Digswell Place Group Riding for Disabled Group
