

COVID-19 Update 3rd November 2020

**Digswell Place Group RDA Yard Closed for riding sessions with effect from Thursday 5th November 2020 until further notice.**

**For info & updates visit [www.digswellplacerda.org.uk](http://www.digswellplacerda.org.uk)**

**Email: [info@digswellplacerda.org.uk](mailto:info@digswellplacerda.org.uk)**

Dear all

Following the Prime Minister's announcement this weekend and confirmation from RDA UK we will be closing the Yard to all participants and non core team volunteers, **with effect from Thursday 5th November 2020.**

This means the following:

**Riders & participants**

No riding sessions will be running from Thursday 5th November until further notice, please check our website and Facebook page for updates. Your usual session coach will be in contact when we reopen.

**Volunteers**

Once again and with huge thanks, we will be relying on our core team of volunteers, minders and staff to keep everything running over the coming weeks. Sue Jenkins will be in touch with core team volunteers. If you are not part of the core team please stay away from the Yard during closure to protect our core team.

**Coaches**

Please advise your session groups and riders of the closure through your usual communications channels.

**Minders**

Sue Jenkins will keep you updated with any changes to your usual routines.

Once again wishing everyone the very best of health and sending thanks in advance to those who will be working hard to keep our Yard and ponies safe & well during the closure. Meantime, keep your eye on our Face book page and website for some exciting seasonal fundraising campaigns coming up.

Kind regards

DPGRDA Trustees and Management Committee
