Dear all

With the end of lockdown on 2nd December, and following Government & RDA UK guidance, the Yard will re-open on Monday 7th December for those who were back with us before the second lockdown. Tier 2 restrictions apply so it's still not business as usual but we look forward to welcoming around 20 riders back.

Riders & participants

If you were participating before "lockdown 2", your usual session coach will be in touch soon.

Coaches

Sue J will be in touch with you about contacting your riders & volunteers.

Volunteers

If you were attending before lockdown 2, your coach will contact you again. Social distancing and number restrictions still mean we must ask those not involved directly in sessions to bear with us and thank you for your continued patience. Thanks too for your support and involvement in our Facebook and fundraising activities, we're definitely all finding new ways to stay connected during these times.

Once again huge thanks go to the core team and minders who looked after our ponies and Yard over the past month, especially with the colder weather and darker evenings. We're all grateful for such a fantastic team. The amazing fundraising team have also been busy with exciting new and successful campaigns. Thanks go to them and to all in our community for supporting so generously.

For obvious reasons we'll not be meeting as a Group for our helpers Christmas lunch this year but embracing the new world, our AGM will go ahead electronically. Voting Members of the CIO will receive information separately.

Finally to advise that the Yard will close as usual for a Christmas break. Meantime wishing everyone the best of health in the coming weeks.

Kind regards

DPGRDA Trustees and Management Committee
