

COVID-19 Update 5th January 2021

**Digswell Place Group RDA Yard Closed for riding sessions with effect from Tuesday 5th January 2021 until further notice.**

**For info & updates visit [www.digswellplacerda.org.uk](http://www.digswellplacerda.org.uk)**

**Email: [info@digswellplacerda.org.uk](mailto:info@digswellplacerda.org.uk)**

Dear all,

Wishing you a very happy & healthy New Year.

Following a Trustees review of the current position yesterday and the Prime Minister's announcement last night we will be closing the Yard to all participants and non core team volunteers, **with effect from Tuesday 5th January 2021**. It isn't quite the start to the New Year we had hoped for, but our decision is based on the safety of the core team caring for our ponies and Yard.

This means the following:

**Riders & participants**

No riding sessions will be running until further notice, please check our website and Facebook page for updates. Your usual session coach will be in contact when we reopen.

**Volunteers**

Yet again and with huge thanks, we will be relying on our core team of volunteers, minders and staff to keep things running over the coming weeks. Sue J will be in touch with core team volunteers. If you are not part of the core team please stay away from the Yard during closure to protect our core team.

**Coaches**

Please advise your session groups and riders of the closure through your usual communication channels.

**Minders**

Sue J will keep you updated with any changes to your usual routines.

Once again wishing you and your families the very best of health and sending thanks to those keeping our Yard and ponies safe & well during the closure, especially at this time of year. Thanks also go to you all for your patience and support during these times. As usual we'll keep you updated on our Facebook page and website. Stay safe.

Kind regards

DPGRDA Trustees and Management Committee
